Foreword

WHEN your editor asked me to write a message I had no trouble deciding what I would say. There is one thing above all others that with all my heart I wish to say to you, a truth that comes right out of my experience with life. If I could start again where you are there is one ability, one virtue, beyond all others which I would try to cultivate. Looking back my great regret is where it has been omitted: my greatest pleasure where it has been practised.

There is a virtue which will give you mental health, develop your personality, increase your appreciation of the good and beautiful things of life, make you a host of friends—popular wherever you are, and bring more happiness into your life than any other possession. It will mean more to you than having a million dollars or being prime minister. All people can have it: very, very few do. This treasure is the grace of gratitude.

How few of us think of writing a note next day when we have enjoyed a party, heard a fine lecture, read a good book, found a job by means of a letter of reference, or in some other way been befriended? I knew an old man who at some sacrifice presented every graduating student in a certain college class right across Canada with a fine book. Out of over five hundred such presentations he only received twenty letters of appreciation!

I know some young people who start out in life saying, "I'm going to look after myself. I come first". They take everything with greedy, gluttonous fists and neither give themselves nor appreciate the gifts of others. They are boorish and contemptible people who destroy their own happiness. I agree with Shakespeare that ingratitude is the ugliest vice:

"I hate ingratitude more in a man
Than lying, vainness, babbling drunkenness,
Or any taint of vice whose strong corruption
Inhabits our frail blood."

A gift, you see, is a real character test. If something comes to you that you have done nothing to deserve, given to you by love, friendship, or sheer generosity, if that undeserved gift does not crack your shell of egotism and self-centredness, then you are thrust back into the dungeon of darkness which is selfishness. To be grateful for the help of parents, teachers and friends, to appreciate the effort of someone to be kind to you, to be grateful for the work of men and women who gave their devotion to this nation, to its schools and institutions, to see about you the multitudinous kindnesses of men and women in social life, this makes a truly great person.

Gratitude is the virtue of an informed mind. One must know in order to be grateful. It is the possession of the generous, the clear-eyed, the intelligent, and the big-hearted. Gratitude connotes so many other sparkling virtues like good taste, kindness, sensitivity, and courtesy. Gratitude is the virtue of nature's true aristocrat.

So I am grateful that I know some gracious, charming young people who have a great future both in character and career if they can retain that lovely virtue of genuine gratitude.

—FRANK S. MORLEY.

Valedictory

SINCE we first came to Central and were in Grade Ten, we have watched with envy and admiration the graduating classes of each year, and each time we have wondered "Shall we ever graduate?" But now that we, too, are faced with final examinations, we wonder,—and with reason—"Shall we really graduate?" There have been times and occasions when we would have been only too happy never to see homework or teachers again, but now that our high school days are almost over we are genuinely sorry that our class too must go.

We have so many happy memories to carry with us. To mention but a few—of games when we cheered Central on to victory, and of cold nights last fall when we merely cheered Central on!—of those trips

to the office where sinners were given ample time to repent—of the unforgettable night—and morning—of the Grad. Dance, Class of '50.

But all our memories will not be merely playtime memories. They will be of work well done, thanks especially to our teachers. In them we have been more fortunate than perhaps we now realize. Men and women of high scholarship, and of even greater importance, men and women possessing the highest standards of citizenship. It is due to them that Central stands so high academically in our city and province, and to them we pay merited tribute and offer our thanks.

But now may I speak for a moment of the future. Was there ever a time in which more important questions were awaiting the correct answers, or when there were greater problems to be solved? We as the graduating class of 1950 must be aware of these problems, and their correct solution will in great measure depend on us. There is work for us to do—for Canada, for the future of all mankind, which might be summed up in one word—conservation. Conservation not only in the ordinary sense of our lands, our forests, our wildlife, but much more important, the conservation of our independent way of life, our freedom, our right to rely on ourselves. Not only must we conserve all the best of our heritage, we must be prepared to create the better world of the future, which is a task that will demand of us the utmost in courage, understanding and faith. Are we ready to undertake this task? If we are, then the question is not "What does the future hold for us?", but rather, "What can we give to the future?"

It has been our privilege to grow up in a happy country, as citizens of one of its foremost cities: we are graduating with a well-rounded education from an outstanding school. We are grateful. Now let us begin to repay our debt.

—GAIL WARD.

John Fisher

Valedictory

THE time has come when we the graduating class of 1950 must pay our respects to Central High School and its Faculty. During our years in this school the teachers have become our friends. Our stay in this ancient institution of knowledge has passed rapidly. It seems only yesterday that we passed beneath the arched sandstone doorways and entered the hospitable rooms with their ever changing climate and atmosphere. As the years and days have passed we have come to the conclusion that our stay here has been a happy and interesting one. Even the most cynical will agree to that.

To many of us these are our last days of schooling. Some are about to enter the business world. Then again there are others among us who will go on to universities and colleges for additional training. One thought remains with us above all others, and that is, that there are a great many things yet to be learned. Let us hope that this thought remains with us always.

We have taken part in all school activities and done our share in winning academic and athletic awards. Our teams have fought with a spirit and sportsmanship that will be remembered by all. We shall look with envy upon the marks obtained by our students. Some of us have been rather gallant idlers. After all it was not intended that we all take everything seriously. We tried to think for ourselves and occasionally we succeeded. We have attempted improvement and made some and in order to be fair, we have left other attainments for next year's class and the classes to come. But we shall always remember the disappointments we have suffered and the success which has been ours.

Of course it is only right that we think of our graduating class as the finest of all. Each class before us thought so and each class after us will think the same. To us it is the finest class we have known. We would not be fair to ourselves if we did not say so.

The graduates of our class will go forward into the world, be they: "richmen, poormen, beggarmen, we hope not thieves; doctors, lawyers, merchants, perhaps even Indian chiefs" as runs the old nursery rhyme. Perhaps we may be all of these in times to come. We shall not all be great, or successful, or notable—that is to be expected, but perhaps we will be able to say "great men have been amongst us, and perhaps great women too."

Let us pause,—behind us we leave the junior students to carry on the tradition of Central High School. We do so with regret, but ahead lie higher mountains to climb. If we have regrets, we also have hope.

—JOHN FISHER.

In Appreciation

SINCE 1911, when the first *Analecta* was published, it has been the object of the *Analecta* Staff to supply the students with as fine an edition as possible,—an edition which may be kept as a record of the happy days spent in our alma mater. As the 1950 copy of your year book rolls off the presses, we hope it lives up to the high standard established in the previous thirty-nine years.

It has been a great privilege this year to work with such a competent and efficient staff, and to all its members I would like to extend my deepest thanks. To Mr. Weir and Miss Kaulbach, whose untiring help and interest were greatly needed and appreciated, I say "Thank You". My sincere thanks also go to all the students of the school, who have contributed, in any way, to the material included in these pages.

The high scholastic and athletic record which Central holds has long been a source of envy to many other schools; and to the students who have helped Central Collegiate Institute attain this position, I should like to dedicate this mid-century edition. I hope this book maintains its standard, by presenting to you a clear concise record of the year's activities.

The Weeper again this year, as in the past twenty years, kept students up to date on news and views around the school. A capable and hard working staff headed by Sharon Haw as Editor, and Bob Barton as Assistant Editor, combined to print seven copies. This group sincerely hope that they achieved their aim, which was to produce a paper of the very highest quality and interest.

The printing was done on the mimeograph machine which makes possible colored printing. The circulation was 300, which included exchange.

Among the highlights of the paper were a literary section in which Marian Crickmay featured her poetry and contributions by Centralites for the Weeper Poll and interviews taken from six students of the month.

Mr. W. Jones has our most grateful thanks for his help as literary adviser. We are also indebted to Mr. Weir, who was in charge of the finances, and to Miss Kerr who so kindly typed the stencils.

The Senior Girls' Y-Teen has had another very busy year. With a membership of over eighty girls, from grades eleven and twelve, they have tackled and completed a variety of projects. The year began with preparations for the annual Tea-Zaar which was held in December. With the proceeds they were able to finance all their other activities. Among their achievements were parcels sent to Britain, donations to the Community Chest and Y.W.C.A., and a presentation to the Crippled Children's Hospital of two new tricycles.

In the spring the club sponsored "Rodeo Romp", a dance held in honour of Central's basketball teams, as well as a St. Patrick's Party for the children at the Booth Memorial Home.

At the semi weekly meetings the girls heard reports on the work of the John Howard Association in Calgary, the Calgary Branch of the United Nations and also an extremely interesting lecture by the Reverend Bull, of the Pro-Cathedral.

The girls would like to take this opportunity to thank their advisers, Miss Sutor and Miss Todd, for all the time and effort they have given to Y-Teen.

The club of 19 members, mostly beginners in photography, was formed last fall for the second year. The club started a very enterprising program with the first of the school broadcasts. The club demonstrated to its members such things as developing, enlarging, tinting, etc., each member doing some topic. The club had some very interesting speakers visit it: Don Purvis, Jack de Lorme, and Mr. Pickard. The club held three hikes including one to the Bird Sanctuary, Brickburn, and one taking pictures around the city at night. Every two weeks the members had an assignment which they brought to the meeting. These were judged at the end of the year by Mr. Pickard with the following results: Home Processing, Eric Mountjoy; Honorable Mention, Pat Low; Commercial Processing, Kay Edwards; Honorable Mention, Ron Hurov and Pat Low.

French Club

The French Club, under the experienced guidance of Miss Maxwell, had twenty-four members this year. The first meeting was held early in October, when Audrey Josul was elected as president. Later, Rita Blazouski was elected secretary. To acquaint them more with the French language, the members took turns leading the singing, the games, and the explaining of French proverbs, speaking in French. They also reported on interesting articles they read in a small French newspaper, "La France". Miss Maxwell, with her discussions and illustrations, added greatly to our knowledge of beauty spots of Paris, as well as making us envious of visiting "la plus belle ville du monde."

On February 14th the French Club held its annual candy sale, successfully raising its quota towards the French Scholarship offered to members of the French Club in Calgary. Nancy Hooper of Central has applied for this scholarship and we are hoping that she will win it.

During the year two meetings were held at Mount Royal College, where the French Club groups from three high schools met. Each of the schools contributed a play or a song to make the meetings successful. We have all enjoyed belonging to the French Club and we hope it will continue for many years to come.

Activities

Central Home and School Association

We opened our year with a complete slate of officers:

President	Mrs. A. A. Grimes
Vice-President	Mrs. J. E. Burritt
Secretary	Mrs. W. H. Cunningham
Treasurer	Mrs. A. J. Kranz

Our membership tea was held in September and was well attended. At our October meeting we had a very interesting informal talk by Mr. Pulleyblank, telling us of the interesting things and places he visited during his holidays in the Old Country.

Mr. Churchill addressed us at an evening meeting in November which was very well attended by the parents. A lively discussion followed. At this meeting we were very happy to present to Glen Ashford our scholarship of \$50.

At our Founder's Day meeting in February, Mrs. Curtis, Honorary President of the Alberta Federation of Home and School addressed us, telling us of the growth and history of the Home and School Association. Mr. Hackett also gave us a very interesting talk on sports, P.T. and athletics of the boys of the school. March 24th was our big event of the year when we put on a Bridge Party and a Square Dance in aid of the Scholarship and Graduation Party.

In April, Mrs. Grimes attended the Home and School Convention at Olds and at our April meeting we were very pleased to have Rev. W. J. Collett, Vice-Principal of the Mount Royal College, speak to us.

June 2nd will bring our year's activities to a very happy conclusion, taking the form of a supper dance and floor show for the graduating students. We are hoping that this evening will be most enjoyable for both students and teaching staff alike.

We feel that this year has been most successful in every way, and it is with pleasure that we wish the graduating class for 1950 the very best of luck.

Inter-School Christian Fellowship

Looking back on this year we praise God for His marvellous blessings. Not only have we been blessed in the Bible studies in our group, but there have been great advances in the city-wide work.

Each of the high school groups has sponsored a party, and these and the monthly fireside hours have been used to interest more students in the Fellowship work.

A new vision of the needs of missions has been aroused in the hearts of the students as was evidenced by the number who signed missionary purpose cards. But the most memorable events of the year were the Fall Conference at Calgary and the Spring Conference at Canmore. As a result of these, our prayer meetings are more effective and our students are more enthusiastic.

This year's executive was:

Sponsor	Rev. W. J. Laing
President	Grace Pulleyblank
Vice-President	Emery Wilson
Secretary-Treasurer	Victor Harbidge
Missionary Secretary	Gladys Kyle

The Gamma Chi president and conference chairman attended the Planning Conference in Medicine Hat which organized the large conference entitled "Steer a Straight Course".

The Glee Club

This has been the second year that Central has had a Glee Club. Under the capable charge of Miss Powell the club, which has a membership of fifty girls from the Grade X and XI music classes, has had another very active year.

FRESHMAN'S FRIDAY

Friday, December 2nd, a night set aside for freshmen but enjoyed by juniors, sophomores and seniors as well, was the date for the sixth annual "Freshman's Friday". As in previous years, it was presented by the Boys' Hi-Y, who provided all the entertainment (?). Bob Neve, as emcee, "spiced" the programme with assorted humor (?). The anti-climax of the evening was the satire on Macbeth narrated by Jim Millard. Before the evening's entertainment began, Mr. Pulleyblank presented the Viscount Bennett Scholarships to Carol Potter and Jim MacGregor. The dance which followed added the final touch to an enjoyable evening.

RODEO ROMP

The night of Friday, March 10th saw the Bar-None Barn (alias Central) full of an enthusiastic crowd ready to "stampede" their way through an evening of "real hoedown music" supplied by the Merry Men of Music. The dance was sponsored by the Senior Girls' Y-Teen in honor of Central's Inter-scholastic Basketball Teams, both boys and girls.

With Mr. C. Maberley as caller, the "dudes" romped and stomped and were soon experts. For breathers, regular dances were supplemented. To "wet their whistles", refreshments were dished out from the chuckwagon to "parched persons".

As usual this dance was a huge success and enjoyed by all who attended.

SPRING FEVER

For the third consecutive year, the Central Students' Union presented "Spring Fever". Although the dance was poorly attended, the music supplied by Sonny Fry and Orchestra was very good. The school president, Bob Neve, was emcee for the evening. John Fisher and company did an able job of decorating the stage. A large number of spot prizes were given away, donated by the various frats. and sororities. Don Anderson with his trusty 4-leafed clover copied the majority of the valuables.

CHEER RALLIES

Central has had three Cheer Rallies for this year. One was for the purpose of introducing the Senior and Junior Rugby Teams to the student body, another before the basketball play-offs to introduce our Championship Junior Team, and one before the Track Meet to boost morale. These rallies are called for a purpose and should be attended by every student instead of a few loyal rooters who manage to escape the temptation of getting out of school early. It is hoped that in future these will be better attended by the student body as a whole.

Activities

INTRODUCTION DAY

The first Assembly for this year was sponsored by the Boys' Hi-Y for the purpose of familiarizing the new students of Central with their teachers, their school and its traditions. Chairman Pete Turner introduced each teacher after which Mr. Churchill gave an inspiring speech of the high traditions of this school in the past and future. Bruce Macdonald outlined the athletics of the school and John Fisher the Students' Union and Council.

AWARDS ASSEMBLY

Awards Day for 1950 was held on the 16th of June. The Frances Woolverton Memorial Cup was awarded to the best all-round girl, and the Murray Law Memorial Trophy to the best all-round boy. Letters for activities and athletics and combined were awarded to the Lettermen, and letterpins for all round ability for the Lettergirls. A number of trophies were presented by the various trats, and sororities including K.K.T. Memorial Sweaters, and the Barbara Lowry Memorial Trophy. Various other trophies were presented for basketball, track, bowling, badminton and football.

GRADUATION DANCE

The night of June 2, 1950, featured the best dance that Central has seen for many years. The credit for this very successful evening goes to the Home and School Association who put a lot of time and effort into making this a dance to be well remembered by the graduating class.

For each girl there was a corsage of roses. Music for the evening was recorded, the records having been purchased specially by the H.S.A. to be used that night and on future occasions. The supper was served buffet style in a gaily decorated hall cabaret effect.

Mr. Churchill, as a very jovial emcee, called the square dances and introduced the entertainment which consisted of solos by Sharon Haw, Marian Crickmay, Evelyn Grimes and Marion Evans, all accompanied by Marilyn Perkins. Tom Loney, holding up the reputation of the boys, played an excellent piano solo while the Dawes sisters played a two piano duet.

Dancing, both fast and slow, was done between musical entertainment and eating. The highlight of the evening was a "balloon dance" in which hundreds of multi-colored balloons were showered on the guests, while paper streamers fell everywhere and on everyone. The end of a perfect evening came with the singing of Auld Lang Syne by all in attendance.

GRADUATION EXERCISES

The Graduation Exercises were held on June 5th in Central's auditorium. Valedictorians for the Graduating Class of 1950 were Gail Ward and John Fisher. Mr. James Mahaffy, K.C., a well known lawyer, was guest speaker of the evening. The chairman was Mr. J. D. Petrie of the Calgary School Board.

Mr. G. Pulleyblank introduced the eighty-one graduating girls, and Mr. J. W. Churchill the fifty-eight boys. The Glee Club and School Orchestra conducted by Miss M. Powell, rendered the music for the evening.

Boys' Athletic Association

In its fourth year of organization, the Association had a very successful year under the sponsorship of Mr. Hackett. The officers were:

President	Bruce Macdonald
Vice-President	Joe Irwin
Secretary	Jack Bruce

A committee was set up and a complete inventory of the school's football equipment was taken. New equipment has been ordered and the old uniforms cleaned and repaired. The Association hung pictures of all championship teams turned out by the school since 1942 in the lower hall. It also purchased warm-up jackets for the basketball teams. A committee was formed which handled the distribution of tickets to the basketball games this year. A benefit dance and basketball game were held with the proceeds going to the school. This year a very successful "Name Your Team" contest was held and the names chosen were "Golden Rams" for all senior teams and "Golden Ramblers" for the juniors.

Senior Football

This year Central's highly rated grid machine bogged down and did not live up to pre-season expectations. Ably coached by Stampeder's Harry Hood and John Aguirre, Central finally wound up in third place in the four team loop. The team featured a fast, hard running backfield in Grant Spiro, John Fisher, Doug Hamilton and John Bouck, which piled up more yardage than any other team in the league. Grant Spiro won the most valuable player award. Replacement backfielders Ron Burritt and Pete Hume are promising material for next year's team.

Central used the T-formation mode of attack and the quarterbacking duties were handled by Bruce Macdonald and Joe Irwin. Kicker Bill Begg was lost to the team through injuries, but Ken Lawson took over the punting duties; a good pass catcher, Kenny, gained a position on the all-star squad. Another good receiver was towering Jack Hunter, while Bill Walsh and Ian Irwin also played well at the end slot. Of the team's tackles, standouts in the position were Don McPherson, Dick Galloway and Ed Chetner. At guard Keith Lazelle gave much needed strength and experience to the line. Bob Clarke proved himself to be one of the best tacklers on the team, and Garth Milvain also played well. Dick Knox at centre was a good blocker, other centres were Jim Johnson and Albert Belzberg.

Athletics

Back Row—Jim Shindler, Sandy Fitch, Lee Irvine, Ron Martin, Bill Manarey, Dick Loney, Blair Mason, Stan Harper, George Ansell.

Middle Row—Vic Beaudry, Jim MacLeod, Bill McKay, Jim Hawkes, Mr. Weir, Don Anderson, Mr. Hackett, Len Friedman, Bob Murison, Stu Fisher.

Front Row—Jim Wallace, Jim Parrott, John Hunter, Willard Long, Jim Browne, John Burns, Brian Jenkins, Winston Churchill, Terry Kellam, Larry Edwards.

Junior Football

After nine winless years, Central presented a power-laden squad, which swept all opposition before it in bringing Central the Junior Football Championship.

Central made an auspicious debut by overpowering Western 13-0. However, with an air of overconfidence prevailing, Central was held to a 6-6 tie by an under-rated Crescent squad.

Now rolling in high gear, Central turned back Crescent 15-6 and twice humbled St. Mary's 17-6 and 24-0, thus setting the stage for the Central-Western clash for the championship.

To climax a brilliant season, Central, in what proved to be their game of the year, came back from a first half 12-0 deficit to gain a convincing 22-12 triumph.

The spark which ignited the Central squad time and time again was the hard running of fullback Don Anderson, ably assisted by Fitch and Edwards, capable running halves. Due credit must be given to Central's rugged line, with Burns, Browne, Jenkins, Long, Wallace and Churchill giving outstanding performances. Top-flight quarterbacking was given by Bruce and Manarey with Anderson handling the punting chore, and Fitch the toe artistry throughout the season.

Don Anderson, by virtue of his 12 touchdowns, led the league in scoring with 60 points.

Central's squad owes much of its success to the able coaching of Mr. Hackett and Dave Turner.

Back Row—Grant Spiro, Jim Fyfe, Mearl Venus, Keith Christensen, Jack Hunter, Don Macpherson, Graham Le Bourveau, Stan Morgan, Bill Walsh, Joe Irwin.
Front Row—Bruce Macdonald, Mr. Hackett, Doug Hamilton.

Senior Boys' Interscholastic Basketball

This year's edition of the Golden Rams turned in a fast, crowd-pleasing brand of ball. Starting the season as definite underdogs to Western, the team piled up six victories in eight games, to win the championship. In the first game of the play-offs, a last quarter rally by Western gave them a six point victory. In the final game, Western abandoned their zone defence, which they had used all season. This seemed to baffle the Rams, and in the second half, the "Redmen" rode to a convincing victory and championship.

Jack Hunter won the scoring championship, and was closely followed by Doug Hamilton.

This year's team was captained by Bruce Macdonald, a hard driving player, with an accurate left or right hand shot. Doug Hamilton provided speed, and a variety of shots, also a classy dribble. Jack Hunter looped in many points with an effective left hand fadeaway, and Jim Fyfe was hard to check with his left hook. Other wing duties were handled by Joe Irwin who specialized in a one hand push shot. In the centre slots, Bill Walsh was very deceptive and dangerous with his unorthodox shooting. Don Macpherson showed himself to be a terrific playmaker, and on rebounds John Bouck always took more than his share. On guard, Stan Morgan used a devastating two handed set shot, and Mearl Venus potted many long one-handed shots, to help boost the score. Graham Le Bourveau took his share of the rebounds, and Grant Spiro shone on a shot from the head of the key. The team wishes to thank Mr. Hackett for his help.

Athletics

Back Row—Mr. Weir, Vic Beaudry, Don Whittaker, John Hunter, John Powell, Jack Bruce, Lee Irvine, Bill Webb, Mr. Hackett.

Front Row—Terry Kellam, Blair Mason, Ken Lawson, Bob Burton, Bill Manarey, Frank Downey, Jim Browne.

Junior Boys' Interscholastic Basketball

For the second straight year the "Golden Ramblers" coasted through an undefeated season and copped the league championship without too much difficulty. Playing in an unusually weak league this year, the strong Central quintet won almost as they pleased. The team featured a fast breaking style of attack and had the ability to control both the backboards.

This year the squad was built around two holdovers from last year's championship team, Ken Lawson and Bill Manarey, who finished one-two in the scoring race. Lawson, voted the most valuable player to his team, controlled the defensive backboards while his left-hand hook shot proved a potent scoring weapon. Manarey possessed a fine set shot and was also the team's best checker. Bob Burton showed himself to be the most improved player in the school and was an excellent rebound man. His line-mate, Jack Bruce, also showed improvement and was a good playmaker. Bill Webb was also impressive at forward, his best shot being a right-handed hook. Of the guards towering John Powell was an able rebound man, Don Whittaker and John Hunter also showed to good advantage. Newcomers Jim Browne, Victor Beaudry and Frank Downey played well and should be good material for next year's team.

Senior Boys' House League Basketball

This year, the Senior Boys' House League Championship was won by Graham Le Bourveau's team. Rated as a cinch for last place, the team finally found the way, and surprised everyone by winning the trophy.

In the semi finals, Le Bourveau edged out Hamilton by five points in a hotly contested game, which was forced into overtime. In the finals, Irwin won the first of a two game total point series by two points; in the windup, however, Le Bourveau came back strongly to take the game by twelve points and the series by ten.

This year's league was composed of four well-matched clubs, with captains as follows: Le Bourveau, Irwin, Hamilton, and Macdonald. President of the league was Bruce Macdonald.

The leading scorers for the game grind were Walsh and Hamilton.

The boys wish to thank Mr. Brooks for the time he spent supervising their contests.

Back Row—Bill Manarey, Lee Irvine, Hardy Turnbull, Harry Young, Robin Round, Ed Gaetz,
Tony Sharman, Mr. Brooks.
Front Row—Bill Webb.

Junior Boys' House League Basketball

The Kappa Kappa Tau Trophy, symbolic of the Junior House League Basketball Championship, was won this year by the Webb aggregation.

This season the league was composed of six teams, and throughout the ten game schedule, a keen calibre of play was shown by all teams. The captains of the different clubs in order of their final standing were: Browne, Mason, Webb, Neidermayer, Edwards and Short.

The semi finals showed Mason defeating Neidermayer and Webb edging Browne.

In the finals, the play was extremely close. Webb won the first game by a nine point margin, and as Mason could only come through with a four point triumph in the concluding game, Webb was crowned champion.

The leading scorer in the Junior Loop was Frank Downey.

Athletics

Dick Thomas, Stan Morgan, George Balding, Mearl Venus, Phil Sprung, Arne Osterberg, Mr. Hackett, John Norris.

Soccer Team

For the second successive year, the Central Soccer Team gained possession of the coveted Astra Trophy. Central played five games in all, and came out on top in four of these fixtures.

In the league, Central and Crescent came out on top, and in the sudden death play-off, Central won 3-0. Mearl Venus was the individual star, but all the boys played good ball.

Phil Sprung in the Central goal, played an outstanding game, and was aided by Dick Thomas and Howard Venus on defence.

Special mention must be made of Mr. Carscallen, our manager, and Doug. Harbidge the coach, who so regularly turned out, to help us along.

Athletics

From Left to Right—Barry McPhee, Eric "Emile" Lovett, Mr. Carscallen, Joe Irwin, John Fisher, Peter Hume.

Interscholastic Ski Team

Another Interscholastic Trophy was added to Central's collection on March 19th, when members of Central's Interscholastic Ski Team skied off with the Union Milk Trophy, emblematic of skiing superiority among Calgary High Schools.

The Annual Interscholastic Ski Meet was again held upon Banff's famous Mt. Norquay, but this year was in conjunction with the Calgary Ski Club races, due to the dissolution of the Interscholastic Ski Council. Despite this it was a successful meet, giving many of the boys their first chance to compete.

Members of this year's squad were: John Fisher, Joe Irwin, Duke Lovett, Pete Hume and Barrie McPhee, who overcame a second place Western Five by a margin of 29.2 seconds.

Also of interest this year were Central's representatives, Jack Bruce and Joe Irwin of the Central-Western Combined Ski Team which placed fourth in the big International High School Ski Meet at Rossland, B.C., out of a field of sixteen participating schools from both Canada and the United States.

Front Row—Bev Palfrey, Shirley Sellers, Mary Downey, Sheila Pease.
Second Row—Miss James, Jean Turner, Marg Scarfe, Jean Gilmour, Marlene Hill, Lorena Ashdown, Bev Douglas, Bruce Macdonald.

Senior Girls' Interscholastic Basketball

"Lady Luck" smiled fondly on the golden quintet during the regular season play, but coldly turned her back in the play-offs. Only two games were lost during the regular season's play. The first play-off game was a tight sea-saw game with Western up three points when the final whistle blew. In the last game Central forged ahead in the first three quarters, but the fateful fourth quarter spelled doom for the blue and gold, and Central lost the series by eight points.

If an all-star team were chosen, versatile Shirley "Slim" Sellers would be the first to cop a berth, Slim's passing, dribbling, shooting and sportsmanship, made her the backbone of the team and a worthy captain. Speedy Bev Palfrey worked like a trojan and could always be relied upon to snag a few well needed points. "Murph" Downey, Jean Gilmour, and Marg Scarfe sparked the forward line and Scarfe's one-handed shots were amazing (even to her). If you saw the ball looped from a hidden corner, it was probably one of Bev Douglas'. Her "off-balance" shots came in mighty handy. Discovery of the year was Dorena Ashdown. Playing the tough centre spot she showed the makings of a champ. Sheila Pease and Marlene Hill could always be found in the centre of the floor. Dropping in long shots was their specialty. Jean Turner brought an unusual honor to the guard spot by ending up high scorer. Her aggressiveness and accurate shooting made her outstanding.

We wish to express our sincere thanks to Joy Sellers for keeping track of our points, and to Miss James who managed to get us those smashing new uniforms, and last in this writing, but foremost in our thoughts, Bruce MacDonald who nearly lost his curly hair worrying and working to make Central proud of her senior girls.

Diana Pilling, Myrna Shapter, Ruth Eaves, Shirley McKenna, Jane Robinson, Margie Morgan, Marilyn Wilkinson, Jeanne Smith, Phyl Weir, Miss James, Mearl Venus.

Intermediate Girls' Interscholastic Basketball

Central's team was the "midget" team of the league. The girls were just too short to get enough rebounds to even up the scores. Each practice began with set-ups. Ten in a row! This proved to be quite a sore spot, 1, 2,—1, 2, 3, 4, 5, 6, 7, 8, 9, Oh no! 1, 2, ----- . The team, however, had the best record for set-ups in all three leagues.

The team ended the regular season play tied with Crescent, but lost in the semi final to a red-hot team. In the finals Western smeared Crescent to win the cup for the twelfth year in a row.

Captain Margy "Mugs" Morgan sparked the forward line with a very unusual shot from under the basket. Jeanne "Red" Smith could be seen through a maze of players trying to pass to "Mick" McKenna who was sprinting down the side ready to swish it in. Marilyn "Wilky" Wilkinson had a terrific long shot which brought home many needy points. Jane Robinson, speedy defence man, looped in many a good pass to the forwards Ruth Eaves, Diana Pilling and Babs Ockendon, who in turn tallied numerous points. Myrna "George" Shapter and Phyllis Weir were always on the alert. Checking and intercepting passes were their specialties.

We wish to thank Marguerite Double for keeping score, and last but not least, Mearl Venus for his untiring efforts to make a team worthy of wearing the Blue and Gold.

Athletics

Back Row—Marion King, Ann Baxter, Betty Millard, Miss James, Caroline Dunsmore, Joe Irwin, Carol Holden, Norma Thompson, Lois Lowry.
Front Row—Noreen Sellers, Heather Symons.

Junior Girls' Interscholastic Basketball

Tough luck, girls! We hope that next year you won't have a rugby team to compete with in the finals. Taking second place during the season's play, the girls met Western in the finas. The first game ended with Western three points up. The second game was a rough battle and the players spent most of their time on the free shot line. The calibre of play in the final games was the worst of the season. The girls, however, put up a good fight and lost the series by only 8 points.

Caroline Dunsmore led the scoring attack, followed closely by Captain Noreen Sellers. Caroline was fast on the breaks and a very accurate shot, while Noreen was quick in getting rebounds and especially good on defence. Dribbling was Heather's specialty and she could often be seen bringing the ball down the floor. Forwards Norma Thompson, Marion King and Carol Holden proved that size doesn't matter when it comes to getting points as they were always in the right spot at the right time. Marjorie Baggs, who played the tough centre spot, accounted for many points and was good at intercepting passes. Lois Lowry and Anne Baxter were always on hand to take over the forward position and put in a few points. Betty Millard could make many an opposing player mad by her ability to keep them from scoring.

We wish to thank Marguerite Double and Lorena Ashdown for keeping track of the score, and Joe Irwin who spent many a noon hour working the players together to make a team Central could be proud of.

Back Row—Miss James, Bill Manarey, Clarisse Smolensky.
Front Row—Joy Sellers, Marg Scarfe, Shirley Sellers (captain), Ruth Eaves, Nancy Adamson, Shirley McKenna.

Senior Girls' House League Basketball

The most successful year of House League Basketball ended early in March. Over sixty enthusiastic players signed up and as a result, six team captains were chosen. These were: Shirley Sellers, Jean Turner, Bev Douglas, Bev Palfrey, M. M. Downey and Sheila Pease. The teams this year were very even and the games were often tied, in fact over half of the games were won by one point. The schedule was played in two halves, with the winning team of each half to be in the finals. The first half saw Seller's team on top with eleven points, while Douglas' quintet followed closely with 9 points. In the second half of play, the scores tightened up considerably and Seller's team eked out a one point lead over Turner's team to cop the championship. Many laughs as well as constructive plays were enjoyed by all the players, and I am sure the season will be remembered for some time.

The high scorers of the league were: Jean Turner, Lorena Ashdown, M. M. Downey, S. Sellers and S. McKenna. The team line-ups are as follows: SELLERS—S. McKenna, Marg. Scarfe, Nancy Adamson, Joy Sellers, Ruth Eaves, Clarise Smolensky. TURNER—Babs Ockendon, Evelyn Grimes, Diana Pilling, Donna Marie German, Diana Henderson, Kay Kranz. PALFREY—Margy Morgan, Joan Fisher, Jane Robinson, Norma Gair. DOUGLAS—Marlene Hill, Myrna Shapter, Lorena Ashdown, Nancy Sidorsky, Joan Garvie, Sharon Bell. PEASE—Phyllis Weir, M. L. Charles, Barb Morrow, Marilyn Wilkinson, Barb McLeod, Kay Tyler. DOWNEY—Jean Gilmour, Fran Shlafmiz, Jean Smith, Gwen Tetz, Marion Neil, Rita Blazouski.

We wish to say thanks to the boys who coached the teams and also to the referees who kept the fouls down to a minimum.

Junoir Girls' House League Basketball

Over fifty enthusiastic grade tens turned out and six team captains were chosen. These were: Dunsmore, Symons, Baxter, Lowry, King and Baggs. The first half of the series went to Symons' team with King's quintet closely on their heels. Dunsmore's team, who brought up the rear in the first half, came out on top in the second half.

A final sudden death game proved to be the best game of the season. Dunsmore's team led at the end of the first quarter. At half time the score was tied. The score see-sawed back and forth until the end of the game. With two minutes to go Symons' team led by four points. Dunsmore on a break-away scored two points. Then Noreen went "hog wild" and scored two baskets to tie and win the game. I'm sure this game won't be forgotten for a long time.

Our sincere thanks go to Miss Jagoe who made this successful year possible, and also to the girls who coached the teams.

Line-ups of the teams are as follows: **Dunsmore**—Noreen Sellers, Marion Hall, Pat Fielder, Lil Aizenman, Carol Potter, Sarah Hoffman, Madeline Elder. **Baggs**—Beryl Catlow, Barb Gideon, Marvy Ridley, Pat Houston, Shirley Seymour. **Lowry**—Betty Millard, Marie Kamp, Yvonne Fleetham, Gladys Kyle, Marlene Boag, Fay Blumenthal. **Baxter**—Carol Holden, Doreen Stabback, Trudy Smith, Thora Rudly, Fay Wex. **King**—Johanne Whyte, Yvonne McCallum, Emily Morginson, Vivian Christianson, Betty Wilson, Muriel Mather, Phyllis Whyte, Shirley Martin, Roseanne Mudry. **Symons**—Norma Thompson, Marion Simpson, Marjorie Milton, Joan McGibbon, Sylvia Thompson, Marilyn McMillan.

The Central Senior Badminton Club has completed another very successful year. The club had another high enrollment and most of the time was spent in Round Robin Tournaments. At the close of the year a club tournament was run off to decide the winners of the Phi Beta Phi Trophies, and to pick the members of the Interscholastic Team. The men's singles was won by Graham Le Bourveau, ladies' singles by Shirley Sellers, and mixed doubles by Ruth Geddes and Graham Le Bourveau. The club wishes to congratulate the members of the Interscholastic Team on their fine showing in the Interscholastic Tournament.

Our sincere thanks go to Mr. Robertson whose hard work during the year made our club possible.

Junior Badminton Club

The coming of spring, 1950, brought to a close the third year of Junior Badminton as a winter enterprise for the grade ten students of Central.

Under the capable leadership of Mr. Carscallen and an executive consisting of Larry Edwards, president, Marj Milton, secretary, Noreen Sellers, Ted Busheikin, every Thursday afternoon sessions were held in the gym.

Though this year's membership was not as large as last year's, it was to our advantage for on many days perhaps three or more games could be played.

Our thanks to Shirley Sellers who helped some of the less experienced enthusiasts.

It is regretted that the season was so short for there remain an excess of birds and funds, the latter of which will be transferred to the Senior Club in order that they may be used next year.

The Bowling Club enjoyed another good year. It ended on April 28th with Sheila Pease winning the honor of first this year by beating Bev Palfrey's team in the final.

The Wednesday night league was won by Deane Manning by defeating Barb Morrow's team in the final.

This year the individual stars in the Friday night games were Jean Turner and Bruce Macdonald for high average. Ladies' high singles and doubles were taken by Jean Turner, and the men's were split between Eric Mountjoy for high single and Bill Carruthers for high double. The team high double and single game went to Farnsworth's aggregation.

The Wednesday night league though smaller and a little weaker, has some good individual stars in it. Shirley Clarke for high single and double. Mary Maw, high ladies' average, while men's high average went to Manarey. Macpherson and Manarey tied for high single game.

Front Row—Bob Southwood, Bill Blain, John Francis, Gordon Russell.

Back Row—Ted Walker, Mr. Weir, Bill Begg.

Curling Club

The Central Curling Club has completed a very successful year, having taken part in three different activities.

One of our two representatives in regular interscholastic play captured the first place trophy with nine straight victories. This rink was composed of Gordon Russell, Walter Mathews, Bill Blain, and Bob Southwood. Our other representatives finished fourth in the eight team league. This rink had Bill Begg, John Francis, Ted Walker, and Norm. Kirkwold.

An all-star rink from Central represented the school in the Taylor, Pearson and Carson competition. This rink, composed of Gordon Russell, Bill Begg, Walter Mathews and Bill Blain, was defeated after a hard struggle by Mount Royal, ultimate winners in the Calgary and district round robin series.

A rink made up of Gordon Russell, Walter Mathews, John Francis and Bob Southwood, travelled to Lethbridge and curled in an invitation high school bonspiel. They defeated the best Lethbridge had to offer, but were knocked out of the prizes by Crescent Heights in an extra end thriller.

Golf Club

President Bruce Macdonald

This year 32 prospective "Ben Hogans" turned out to do battle in an inter-club tournament. Many good matches were played, but the finals narrowed down to last year's competitors, Sandy Fitch and Bruce Macdonald. At the time of writing, the final game had not yet been played. A consolation event was run off for those who were knocked out in the first round. The quality of golf in this year's matches was of extremely high calibre, and many fine golfers should be produced from Central's "Hallowed Halls".

BASEBALL

Senior Captains—Mearl Venus, Graham Le Bourveau, Stan Morgan, Bill Manarey.

Junior Captains—Basil French, Tony Neidermayer, Leigh Short, Larry Edwards.

Central is the only school that plays baseball out of school time, and it would appear from the talent displayed on the diamond, that this time is being put to very good use. A very hotly contested play-off game between teams of Mearl Venus and Graham Le Bourveau resulted with Mearl cashing in on the silverware.

In the Junior League, the teams were very evenly matched with Neidermayer and French coming out on top of the league. The winner has not been decided at the time of writing.

Kappa Kappa Tau

The Kappa Kappa Tau Fraternity, approaching the quarter century mark in a successful career, has again accomplished its primary purpose of creating a greater interest in athletics in Central High School. In the fulfillment of its various projects, the "Tau" has aided in preparing its members for business life and their future.

The past year has been an exceptionally successful one from both the standpoint of business accomplished and social functions undertaken.

The fraternity in promoting greater athletic competition among the students of Central again awarded the Kappa Kappa Tau Athletic Memorial Sweaters, one going to the best all-round athlete in each of the grades at Central High School. The presentation of these sweaters is an annual event staged in memory of Joe Dutton, D'Arcy Scott, and Tom Barr, three former athletes of Central, and members of the fraternity, who lost their lives in the last war.

The fraternity also presents a trophy to the winning team in the Central Junior Boys' House League Basketball competition. This year the winning team was captained by Bill Webb.

The "Tau" again awarded a trophy to the most valuable player to his team in the Calgary Junior Football League, which this year was won by Mike Farrell of the West End Tornadoes.

Of special interest among the accomplishments of the fraternity this year was the presentation of twelve football sweaters to Central, which will be worn by a better-than-ever Central Senior Football Team next year.

Money-making schemes, which are very important to the welfare of the fraternity, were conducted this year with a high degree of success. The annual K.K.T. raffle was staged last fall, the winner having been determined New Year's Eve. This year two rummage sales were held, a plan which proved very successful.

The initial social function of the year was the annual Rush Party. Here the prospective members become acquainted with the members of the fraternity during the course of an evening's entertainment. The new members this year were Bill Manarey, Bill Carver, Jim Browne, Dick Knox, and Bob Burton.

The social functions were this year, as always, very enjoyable. Several toboggan parties, stags, barbeques, as well as a number of house parties were held. The annual New Year's Party was an immense success, as was the fraternity dance at Penley's, which followed in the spring.

The season's operations were brought to a close with the fraternity banquet held at the Palliser Hotel in June. At this event present day members were given a chance to chat with "Tau" men from the past. The season was formally terminated with the election of officers for next season.

Delta Phi Delta

The Delta Phi Delta Fraternity was inaugurated in 1945 and became chartered in the spring of this year.

The fraternity is organized to promote a closer fellowship among the High Schools of Calgary.

In September of last year a dance, Delta Rhythms, was held at the Mewata Armouries. The proceeds from this dance were used to carry on the "Archie McTeer Memorial Trophy", an annual presentation to the best all-round athlete in Senior Interscholastic Competitions. Last year this award was won by Don MacIntosh of Crescent Heights.

Throughout last winter, the members volunteered their services, checking coats, at the Red Cross Blood Donor Clinic.

The present membership of the fraternity includes boys from Central and Western Canada High Schools.

The fraternity colors, scarlet, gold and white, are representative of the two schools. The scarlet is representative of Western Canada, and the gold is representative of Central High School. The white is symbolic of purity and true fellowship.

Members: Jim Duncan (Pres.), Harry Donaldson (Vice-Pres.), Bill Montgomery (Sec.), Bob Rintoul (Treas.), Jim Gorrill (Corresponding Sec.), Len Burnand, John Hunter, Barry Jones, Ed Jull, Denny Wilson, Owen Wilson, Dick Warren, Harry Young.

The world today recognizes the need for true co-operation and fellowship among men. This cannot be stressed too emphatically, especially during the times which we are now going through. The future of the world belongs to those who are prepared to accept their responsibilities toward their fellow men. Let us show the world that the younger generation of today is prepared to meet the challenges of the future and to take its place among the citizens of tomorrow.

A timid lady noticed a man lounging idly in front of a hardware store across the way. Noticing how cheered he seemed when several men stopped and gave him money, she put \$2.00 in an envelope, wrote "Godspeed" on the outside, and threw it over to him.

The next day the man rapped loudly at her door. "Here's \$56", he said cheerily, "Godspeed won at 28 to 1."

When Deacon Howe took the night boat to New York, the Pastor asked him to order a Christmas sign, to be tacked over the door to the church. Howe lost the note, which gave the dimensions and the inscription to be placed on the plaque, so he wired the pastor.

"Rush copy of motto and dimensions."

A new lady clerk in the telegraph office got the reply and promptly fainted. It read: "Unto us a child is born. Eight feet long, three feet wide."

An Elbow Park bus was unusually crowded one morning. A passenger sitting next to the window suddenly buried his head in his arms. The man next to him asked, "Are you sick? Can I do anything for you?"

"It's nothing like that," the other assured him. "I just hate to see old ladies standing."

Inmate Number 4622 of the Alcoholic Ward fingered his flashlight lovingly. "If I turn this beam straight up in the air," he said to inmate number 4623, "I'll bet you a trillion dollars you can't climb up it."

"I'm wise to your tricks," sneered number 4623. "I'd get half way up and you'd turn it off."

A Scotsman leaned against a midtown bar holding his stomach and moaning piteously. "Sick?" asked the sympathetic stranger who stood next to him.

"Verra, verra sick," said the Scotsman. "I am afraid I got the yoores."

"What's 'yoores'?" asked the stranger.

The Scotsman brightened immediately. "Make it a scotch and soda," he said.

"Yes, indeedy," boasted Mrs. Jones, "Ah has fo' fine sons! Eenie, Meenie, Minie and Franklin."

"Why Franklin?" asked the visitor. "After the President?"

"Partly," said Mrs. Jones. "But princip'ly 'cause we don' want no Mo!"

A girl and her aunt worked in an aircraft factory. A thug grabbed their salary envelopes one day. The girl found a cop and gasped, "I've been robbed of my pay and my aunt's pay."

"Cut out the pig latin," suggested the cop, "and tell me what really happened."

Last night I held a lovely hand,
A hand so soft and neat,
I thought my heart would burst with joy,
So wildly did it beat.
No other hand unto my heart
Could greater solace bring,
Than the perfect hand I held last night—
Four aces and a king.

It was June, and the full moon shone down on the couple sitting on the park bench. The fragrance of roses filled the air and soft music drifted through the air. "Bill," Donnie sighed, "Where did you learn to kiss like that?"

"Siphoning gas!"

"It says here that a woman in Toledo cremated her husband. Isn't that just the way it goes? Some of us can't even get one, and others have husbands to burn."

Arrested for Speeding—"But your honor, I am a student of C.C.I."
Judge—"Ignorance doesn't excuse anyone."

Rookie—"What's on the menu for tonight?"

Cook—"Oh, hundreds of things."

Rookie—"What are they?"

Cook—"Beans".
